

## THE DOJO CUP CHALLENGE 2024

Everyone is welcome.

### KARATE FOR ALL

The Dojo invites any club and it's its members to participate.

Venue: BELVEDERE SCHOOL (PLEASE NOTE CHANGE OF VENUE)

Address: UYS KRIGE ROAD, FARRARMERE, BENONI, GAUTENG.

Please note there will be 2 halls back-to-back on the premises.

As this tournament is a Inter Club friendly event, it caters for all our competitors of all ages and belt grades. Through this championship we would like to encourage friendship and participation throughout our WUKF family too.

Furthermore, the championship is an opportunity for dojos to introduce their novice students to a competition environment, as well as to prepare their more experienced athletes for upcoming tournaments.

Please note the following:

NO regional or provincial colours will be awarded at the championship.

This is a friendly competition, and has no bearing whatsoever on any organisation, team selection or any other form of merit other than the Dojo Cup Challenge Championship results.

Unfortunately, NO refunds will be given for no-shows or competitors who, due to illness are unable to compete on the day of the championship.

REGISTER your referees and judges as per the online registration process.

There will be coffee, snack shop and food on sale to cater for our hungry competitors and spectators.

Our officials will be catered for throughout the championship.

Our aim is for the development of the athletes and officials, so we are hoping for a fun day of friendly competition and learning.
